OFFICE POLICIES

Emergencies

If you feel you have a life-threatening emergency, dial 911 or go to your nearest emergency facility.

Calls to the Office

If you have any questions or concerns, please feel free to contact our office. Someone will return your call as soon as possible, usually within 24 hours. Many times we return calls at the end of the day. If the matter is an emergency and cannot wait until the end of the day for a response, please let us know when you call.

Financial Policy

Please read our financial policy that is enclosed with your New Patient Forms. For more information, you can contact our office at 318-629-5505.

Insurance

- We will bill your insurance company for services rendered. You are responsible for any amount that your insurance company does not pay, or co-pay if you are in an HMO or PPO. Your insurance policy is a contract between you and your insurance company; we are not a party to that contract. You are responsible for the full amount if your insurance fails to pay promptly.
- Not all of our physicians are members of HMO and PPO plans. Please be sure to ask in advance if the doctor you are about to see belongs to your particular insurance plans. If your insurance company sends you payment for services, you are responsible for forwarding it to our office.
- We are participating providers for Medicare. We will file your Medicare and secondary insurance. If you do not have a secondary insurance carrier, we must bill you for the 20% of the Medicare allowable. You will be billed for any procedure not covered by Medicare.

Usual and Customary Rates

Our practice is committed to providing the best treatment for our patients and we charge what is usual and customary for our area. You are responsible for payment regardless of any insurance company's arbitrary determination of usual and customary rates.

Cancellation of Appointments

We understand that circumstances can occur that make it necessary for you to cancel or reschedule an appointment. Please contact us at least 24 ahead of time, if you need to cancel or reschedule your appointment.

Medical Records

Copies of records or requests for transfer of records to other physicians must be done in writing. Please contact our medical records department at (318) 629-5505 or fax requests to (318) 629-5506. As a courtesy to our patients, we do not charge CURRENT patients or physician offices for medical records requests.

Any other entity requesting medical records will be subject to costs as the following rate: \$1 per page for the first 25 pages, \$.50 for pages 26-500 and \$.25 per page thereafter and a handling charge of \$7.50. These reasonable cost limitations were set forth by the Louisiana Revised Statutes 40:1299.96. This charge is payable in advance when the forms are submitted to us for completion.

Please allow five (5) working days to complete requests.

FINANCIAL POLICY and CONTRACT WITH PATIENT

Thank you for choosing us as your health care provider. We are committed to providing our patients with the best treatment possible. We hope that you understand that our credit and collection policies are a necessary part of assuring the financial resources needed to maintain this vital health care facility for our patients and community.

Our charges for your care are considered to be the usual and customary charges in line with what other specialists in this geographical area charge their patients. You are responsible for payment of your bill in full, regardless of your insurance company's determination of usual and customary charges for this area. The only exceptions for this are if you are covered by Medicare or you are covered by a PPO or HMO for which we are a provider of services.

STATEMENT OF RESPONSIBILITY

By signing below, I hereby enter into a contract with MUSCULOSKELETAL INSTITUTE OF LOUISIANA, LLC, for the furnishing of medical and/or surgical procedures for illness or injury. I understand that I am contractually responsible for the total bill incurred as a result of treatment received. Although I may have insurance coverage, I understand that this is an agreement between me and my insurance carrier to pay certain amounts for my medical care. The obligation to pay my doctor bill is an obligation by me to my doctor. I am totally responsible for payment of my doctor bill in full. This is regardless of the status of any pending insurance claim or the insurance company's determination of usual and customary rates or amount of assignment. I accept full responsibility for payment of the account, and depending upon the circumstances, I may be expected to pay in full at time of service. I hereby acknowledge that I should coordinate personally with my health insurance carrier. I hereby grant MUSCULOSKELETAL INSTITUTE OF LOUISIANA, LLC, its agents and attorneys the right to disclose my confidential health care information for purposes of collection of my bill through contact with any third party or through a lawsuit.

In the event that I am covered by a managed care PPO or HMO for which my doctor is a provider of services, I understand that the clinic will accept the allowable charges and will write off any amount that is disallowed by insurance. **I accept responsibility for payment of my co-pay and/or deductible at time of service, any allowable amount not paid by insurance, and/or treatment my policy does not cover.** I understand that you do accept assignment on Medicare and I will not owe any disallows that are written off of my account. **However, I understand that I am responsible for my deductible, co-pay and any charges not covered by Medicare.**

If I am here as the result of a liability claim, I understand that my doctor cannot wait for settlement of my claim in order to be paid and that payment is due at the time services are rendered. My attorney and/or insurance carrier will be provided with an itemized statement for my reimbursement.

If I am here as the result of an on the job injury and my workman's compensation claim is denied, I understand that I am personally responsible for payment of the bill in full.

In the event that credit is extended to me, I understand that any bill rendered by MUSCULOSKELETAL INSTITUTE OF LOUISIANA, LLC is due and payable upon receipt of statement. If payment in full creates a financial hardship, the clinic will consider an extended payment plan arrangement. I also understand that I may pay my bill in full at any time by cash, check, or any major credit card. **There is a fee (currently \$25) for any checks returned by the bank.** In the event of default in the payment of any amount due and this account is turned over to an agency or attorney for collection or legal action, **I hereby agree to be held liable for my outstanding balance plus attorney fees of 25% of my balance over 30 days in arrears. I also understand that I will be held liable for all court costs and judicial interest.** I, the undersigned, have read and understand this contract, and hereby agree to the terms herein.
